Patent Application of  
Wolf, et al.

USSN 09/479,877

Filed: January 10, 2000

Title: Transformed Bacteria Producing CS6 Antigens and Vaccines

DECLARATION

Honorable Commissioner of Patents February 28, 2001  
and Trademarks  
Washington, D.C. 20231

Sir:

I, Glenna Hendricks, the registered patent attorney who filed the original application cited above, provide herewith a copy of the application as filed and a separate listing of the sequence information. I hereby declare that the sequences and other material on the diskette are the same as in the application as filed and that no new matter has been added.

I further declare that all statements made herein of their own knowledge are true and that all statements made on information and belief are believed to be true and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 101 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Respectfully Submitted;

*Glenna Hendricks*
